

Ambetter Opioid Prescribing Limits

Effective September 17, 2018, Superior will implement new opioid prescribing limits for Ambetter members.

Limitations Include:

Maximum
7-day
supply at
one time.

Maximum 2
7-day supply
fills in any
28-day
period.

Maximum
28-day
supply in any
90-day
period.

Ambetter members who have legitimate medical need for long-term opioid use may be able to continue to obtain opioid prescriptions with a prior authorization. Prior authorization will be required to prescribe opioids outside of these limitations.

Impacted Members:

Current and future members that previously have not had an opioid prescription claim under this health plan.

Exempt Conditions:

Concessions may be considered for members who are currently taking opioids and have a claims history to support the following:

- Palliative care
- End-of-life/hospice care
- Active cancer treatment

For questions, please reach out to Superior's Pharmacy department at 1-800-218-7453, ext. 22080.
